### PUBLIC PARTICIPATION

Members of the public raised the following points relating to the next agenda item:-

This application was a building of industrial type scale.

It would create noise, light pollution and road traffic problems.

Had other alternative sites been considered?

It would create a visual impact on the landscape.

It was stressed that people wishing to support or object to the application should do so online or write to Wrexham Borough Council as individuals rather than as a family or as part of a petition.

### PLANNING

Application P/2017/0799 (Wrexham) for an Intensive Poultry Installation, land at Mulsford Farm, Sarn. (Adjacent Parish)

52. **RESOLVED Unanimously** Council object to this application, Cllr Holmes (Planning lead) to draft a response for approval by councillors, the clerk then to submit the objection under the powers delegated to him on 27 July 2015.

The meeting closed at 9.10 pm

The next meeting 29 November 2017.
