### **1. APOLOGIES.**

Cllr Chris Whitehurst – Prior engagement

### **2. DECLARATION OF INTERESTS.**

None

### **3. PUBLIC PARTICIPATION**

An opportunity for members of the public to comment on matters to item 4, to consider listing The Queens Head, Sarn as an Asset of Community Value (ACV)

The first speaker described that The Landlords, Admiral Taverns, have now put it up for sale. We are fearful that a private developer will buy it for housing. We have formed a small strategic group of community members who want to protect the pub as an Asset of Community Value (ACV) through voluntary or community body. The speaker went to describe the process of an ACV listing.

The former Landlord of twenty years, when asked if the business could be a viable business, he replied that it could be, he also said as the Chairman of Sarn Community Council they supported the proposal.

The all speakers agreed that an ACV on the pub would be a tremendous asset to the village.

### **4. ASSET OF COMMUNITY VALUE (ACV)**

Councillors agreed that an ACV on the Queens Head would be a great benefit to the community.

The Vice Chairman agreed to fill out the form and statement.

- 62. Resolved unanimously** council requested Cheshire West Council to list The Queens Head, Sarn as an Asset of Community Value (ACV)

The meeting closed at 8:45 pm
