

# Threapwood Parish Council

Good evening

I am writing to you to advise you of a new football team that has been set up in Malpas for girls in current year groups 8 and 9. We are trying to raise money for equipment, kit and most importantly pitch hire. We have managed to secure some local sponsorship to help us with the kit costs. We would like to extend this to more girls in the area and any help you can provide us will be much appreciated.

Kind regards
